

Technical mentoring involves supporting someone to learn new skills.

Pastoral mentoring involves developing the whole person, which may include elements of technical mentoring.

Many younger people tell us they want to feel supported as a whole person to feel more engaged.

Certified Practitioner Mentor for Apprentices Course

Mentoring and coaching training for those supporting apprentices

Transforming apprenticeships

Course delivery

We can deliver or train your team to deliver:

- 3-day classroom course
- Fast Track blended learning (eLearning and 1-day classroom)
- eLearning

These are then followed by an online assessment and an optional six-month portfolio.

The total time is approx. 125-150 hours.

Assessment

Learners pass an online assessment to become certified. Includes accreditation on the public Register of Mentors for six months.

Following this, there is an ongoing fee for continued registration.

Learners also have the option to do a 5-unit reflective assignment to convert their course into a Level 3 Workplace Mentor qualification (currently undergoing registration).

Introducing the Practitioner Mentor for Apprentices, a certification designed for managers, supervisors, coaches and mentors

Only 31% of team leaders and supervisors feel confident supporting apprentices according to our recent survey.

The Mentoring School are proud to introduce their award-winning course for those supporting apprentices in the workplace.

Engagement, satisfaction, retention

Covering:

The difference between coaching and mentoring and when to use each

Overcoming barriers that hold apprentices back
Employer requirements
Diversity
Working with different generations

Low level mental health, autism, ADHD
