## Course delivery

We can deliver or train your team to deliver:

- 3-day classroom course
- Fast Track blended learning (eLearning and 1-day classroom)
- eLearning

These are then followed by an online assessment and an optional six-month portfolio.

The total time is approx. 125-150 hours.

## Assessment

Learners pass an online assessment to become certified. Includes accreditation on the public Register of Mentors for six months.

Following this, there is an ongoing fee for continued registration.

Learners also have the option to do a 5-unit reflective assignment to convert their course into a Level 3 Business Mentor qualification (currently undergoing registration).

Introducing the Practitioner Mentor for Business, a certification designed for successful business owners and those supporting business owners.

Mentoring is very different from coaching, the former is widely accepted as based on previous experience of the area of mentoring. Mentoring businesses takes experience and knowledge of more than just supporting their technical skills.

Mentoring businesses involves specialist knowledge and experience

## Knowledge, passion, success
